

House Bill 5 Community and Student Engagement Component Executive Summary for 2016-2017

Introduction

House Bill 5 (HB5) introduced a new component to the state accountability system, effective 2013-2014 school year, that requires a district to self-evaluate and assign a performance rating to each campus and district overall on the nine specific categories under the Community and Student Engagement component: 1) Fine Arts, 2) Wellness & Physical Education, 3) Community & Parental Involvement, 4) 21st Century Workforce Development, 5) Second Language Acquisition, 6) Digital Learning Environment, 7) Dropout Prevention Strategies, 8) Educational Programs for Gifted/Talented Students, 9) Record of district and campus regarding compliance with statutory reporting and policy requirements.

Objective

Form a local committee for the Community and Student Engagement component in order to establish the criteria for performance ratings at campuses and district overall. On August 8 of each year, beginning summer of 2014, Donna ISD is required to report to TEA and to the public the results of the District overall and campus individual performance.

Continually strive to improve the programs by reviewing the strengths and challenges in each of the areas addressed.
